Nabertherm

Energy-Efficient
Kilns for
Sustainable Pottery

Handcrafted
in Germany

Ceramics is a Passion.

Trust Nabertherm!

Nabertherm top loaders are the best choice for hobby and workshop.

All our kilns are elaborately handcrafted in Germany using the best materials we can source. Our family business has over 75 years of experience in kiln manufacturing.

Our kilns are known worldwide for their:

- **Sustainability**
- **Durability**
- **Special ergonomics**
- **Reliability**
- **Made in Germany**
- **Energy efficiency and economy**
- **Innovation**

With Nabertherm you can trust in quality and safety and excellent firing results!

„I really love my Nabertherm kilns. As a potter with lots of order and commission deadlines, it's very important that my firings will be accurate and efficient.“

Izzy Letty,
izzyletterceramics.com

Optimal Energy Efficiency and Excellent Firing Results.

Our top loaders have a long and economical life.

Each kiln is built with love in our factory in Germany. We use the highest quality materials we can source in every aspect of the kiln. The kiln uses energy efficiently, whilst giving you the best firing results.

You can rely on Nabertherm:

- **Optimal insulation - thanks to our proven insulation concept, we have been setting standards in terms of efficiency for years**
- **Shorter cool down times than most comparable models – you can fire faster and more efficiently**
- **Our unique controller turns every program setting into an intuitive experience**
- **By installing the finest materials, we can minimise the energy demand**
- **Excellent temperature uniformity for optimal and reliable firing results**

Costs for bisque and glaze firing using our models TOP 60 and TOP 100 as examples:

That's What We Call Sustainability.

*Bisque firing 950 °C, glaze firing 1250 °C. Charge weight incl. kiln furniture: Top 60: 18 kg, Top 100: 30 kg. Calculated energy price: 0,30 €/kWh.

Emotion, tradition and innovation.
